

COMMUNITY 2020: A YEAR IN REVIEW

2020 has been a challenging and disruptive year for everyone. Despite this, the Titans have been able to host a variety of events, competitions and fundraisers adhering to COVID restrictions to serve the community.

This year, more than ever, the community needed an organisation to Care, Unite, Include and Inspire – and the Gold Coast Titans showcased just that.

30

multicultural ambassadors

\$102,301

raised by the Gold Coast community for Titans Together programs

1000
